

JAISHREE KUSHWAHA

Lucknow, Uttar Pradesh | 8400343057 | rj84564423@gmail.com | GitHub : github.com/Jai-3430

OBJECTIVE

Computer Science and Engineering student seeking a fresher or entry-level opportunity in Data Analytics or Machine Learning. Hands-on experience through academic projects in Python, SQL, data preprocessing, exploratory data analysis, data visualization, and machine learning classification. Familiar with Pandas, NumPy, Matplotlib, Scikit-learn, Excel, Power BI, Tableau, MySQL, and Jupyter Notebook. Strong analytical thinking and problem-solving skills with an interest in applying data-driven approaches to real-world problems.

TECHNICAL SKILLS

Programming: Python, Java, C, HTML, CSS, JavaScript

Data Analytics: Pandas, NumPy, Matplotlib, Excel, Power BI, Tableau, Statistics

Database: SQL, MySQL

Machine Learning: Data Preprocessing, Feature Extraction, Classification, Model Training, Model Evaluation

Tools: Jupyter Notebook, GitHub

PROJECTS

Fake News Detection Using Machine Learning

- Developed a machine learning classification project to identify whether news content is likely to be fake or genuine.
- Performed text data preprocessing and converted news text into numerical features for machine learning.
- Trained and evaluated classification models to predict fake and real news labels.
- Used Python, Pandas, NumPy, Scikit-learn, and Jupyter Notebook for data preparation, modeling, and evaluation.

Diwali Sales Analysis

- Analyzed Diwali-season sales data to understand customer buying behavior and identify top-performing product categories.
- Performed data cleaning, exploratory data analysis, visualization, and insight generation.
- Used Python, Pandas, NumPy, Matplotlib, Excel, and Jupyter Notebook.

EDUCATION

Bachelor of Technology (B.Tech), Computer Science and Engineering · RR Institute of Modern Technology,

Lucknow (AKTU) | 2024-2027 | 77%

Diploma, Computer Science and Engineering — Mahamaya IT Polytechnic, Maharajganj (BTEUP) | 2024 | 75.3%

Intermediate — Gyanoday Inter College, Belwania, Kushinagar (UP Board) | 2021 | 73.6%

High School — Gyanoday Inter College, Belwania, Kushinagar (UP Board) | 2019 | 77.7%

CERTIFICATIONS

- Python 101 for Data Science
- Machine Learning — SOFTPRO INDIA COMPUTERS PVT. LTD
- Data Visualization with Python
- Power BI Micro Course

SOFT SKILLS

Analytical Thinking | Problem Solving | Active Listening | Multi-tasking | Communication
